

Media Request Form

Space Center Houston is a nonprofit, the Official Visitor Center of NASA Johnson Space Center, a Smithsonian Affiliate and a Certified Autism Center. Space Center Houston receives multiple requests for interviews, film and photo shoots. In order to protect the integrity of the center's mission and philosophy, the following information must be completed in order to consider the request. Completing this form does not guarantee acceptance of your request.

While working on stories at the center, if any additional center staff or resources are needed, fees may apply.

The video footage obtained of Space Center Houston's exhibits cannot be reproduced, altered, sold, or used for any other promotional purpose without written approval of Space Center Houston. Said usage of photography and recordings shall not be libelous, slanderous or derogatory in any manner of the Foundation, its museum, Space Center Houston, assigns or of NASA.

Failure to complete the entire form will delay the evaluation required. Please note the examples for the certificate of insurance and a signed Space Center Houston location agreement must be provided by email at least three business days prior to the filming date.

Based on what you're looking to do, the entire form may not apply to your company. To allow us to fully evaluate your request, please complete as much information as possible. Email the completed form to communications@spacecenter.org. We will provide feedback in two-three business days.
