ABOUT OUR FESTIVAL

Our annual Moon 2 Mars Festival is all about bringing people and space closer together. At its core, this festival is a celebration of the innovators and the innovations that power space exploration – to the Moon, Mars and beyond. Enjoy family-friendly activities and live music, along with tasty bites and exciting space exploration experiences.

- Tackle our Future Astronaut Obstacle Course (Kids Zone)
- Be transported to space through immersive VR experiences (Repsol tent)
- Jam out each day with our live DJ (Kids Zone)
- Sip a taste of space with our Moon-garita and Martian Daiquiri (Concessions, Wed – Sun)
- Pilot a drone in our fun yet challenging Drone Zone (Kids Zone)
- Test your rover skills with our hands-on robotics challenge (Repsol tent)
- Explore the night sky in our pop-up planetarium (Repsol Tent)
- Leave your mark on our Moon 2 Mars mural (Kids Zone)
- Swing a club on the Moon with our lunar golf simulation (Repsol tent)
- Take a piece of the festival home with our interactive Moon 2 Mars sticker (while supplies last)!
