

## Book Your Visit for Big Savings on Group Fun

“Intelligent fun” defines the way groups describe their experiences at Space Center Houston. A day when they’ve touched a moon rock, witnessed a shuttle launch, enjoyed a guided tour of NASA Johnson Space Center and seen real, space-flown vehicles ... all this and much more, combined with a galactic group discount!

Space Center Houston is a nonprofit science and space learning center, the first and only Smithsonian Affiliate in the greater Houston area and the Official Visitor Center for NASA Johnson Space Center. We offer a full day of interactive group fun for all ages.

### Purchasing group tickets is as easy as 1 – 2 – 3

#### 1. Get your group together

To be eligible for the best discount (**\$15.95 per ticket**), the group must purchase a minimum of twenty (20) tickets which must be reserved and prepaid one week in advance of the visit date.

#### 2. Place your order

Tickets may be ordered by phone by calling group reservations at +1 (281) 283-4755.

Our staff will answer all your questions and assure your entrance into Space Center Houston is without delay. Be sure to check out the group lunch options. A group lunch is a great way to get everyone together for a delicious, nutritious event where they can exchange stories and make memories that will last a lifetime.

#### 3. Arrive at Space Center Houston

Be ready to enjoy a day of exploration, discovery, excitement, education and fun all rolled into one.

### We discount the price, not the experience!

With more than 400 things to see and do, including a variety of ever changing exhibits, films and live shows, Space Center Houston is a must-do group destination. We invite you to experience space exploration through its exciting present, its dramatic history and its compelling future, all of which is included with your paid group admission ticket.

- A must see is the international landmark Independence Plaza, presented by Boeing. Touch interactive displays, see NASA artifacts and learn about the legacy of the Space Shuttle Program. The one-of-a-kind Independence Plaza is the only place in the world where visitors can enter a shuttle replica mounted on top of the original shuttle carrier aircraft.

- **Meet an Astronaut** every Friday and hear fascinating stories about their space adventures.
- Learn how astronauts live and work aboard the International Space Station in the **Living in Space** presentation. Explore the technology developed by for space in the **International Space Station Gallery**.
- Watch the film "Journey to Space" in **Space Center Theater** with stunning 4K ultra-high definition, new audio and an all-new-giant screen.
- Experience the thrill and excitement of witnessing an actual space shuttle launch in **Blast-Off! Theater**, then learn about future NASA programs and missions in **Mission Status Center**.
- See flown spacecraft such as **Apollo 17**, walk through **Skylab Trainer** and touch an actual moon rock in the **Starship Gallery**.
- Board the **NASA Tram Tour** and see history in the making. Stops include Mission Control, the astronaut training facilities and Rocket Park, where you will see the enormous **Saturn V** rocket.
- This and much more, combined with a galactic group discount!

Do we hear your stomach growling?
